

## **SOCIAL RESPONSIBILITIES POLICY**

We believe that our global reach as a cutting-edge, innovative solar lighting technology company comes with global responsibility

We know that the way we conduct business can make a difference to global communities and the environment, and we believe that 'good for business' and 'good for people' are not mutually exclusive pursuits.

We conduct business with integrity, ensuring decisions make good economic, social and environmental sense.

We are proud of our continuing efforts to help communities and are committed to implementing responsible practices.

### **Anti-Bribery and Corruption**

Corruptly making, offering to make, agreeing to make, or authorizing any payment, loan, donation or gift of money or anything else of value, directly or indirectly, on behalf of the customer or any customer affiliate to or for the benefit of any 'public official', is not acceptable conduct to SBL.

### **Anti-Slavery and Human Trafficking**

Maintaining a supply chain or any part of a supplier's business that practices slavery and/or human trafficking, is not acceptable conduct to SBL.

### **Code of Business Conduct**

Using conflict minerals in any manufacturing or contract manufacturing activities or in the provision of the goods or services, is not acceptable conduct to SBL.
